

Seasons

Name: _____

Date: _____

1. Read the text 1 time. Color the star after reading.

It is spring. Animals hop and run in the grass. Trees are full of buds. Nests are full of eggs. It will rain in the spring. Look who can jump and kick in the mud! The flower buds are wet. They will get big in the sun.

It is summer. Look who is here! Three birds are in the nest. Insects see lots of flowers. They buzz and buzz in the hot sun. It is not too hot here. Ducks quack and quack in a pond. Two fox pups get a sip. Lots of animals are here at the end of summer.

It is fall. Lots and lots of red leaves fall. Animals run and play. A buck has to get fat for a cold winter. Look who can pick up nuts! They get set for the cold, too.

It is winter. It can get cold and wet. Where do animals go? Birds can go south. Lots of animals will nap in the winter. A bear will nap in a den. Look who has a winter nap, too! It is not cold and wet here. The cold winter will pass. Animals will look for spring.

2. Colour the sentence that answers the question.

A. What are trees full of?

B. What sees lots of flowers?

C. Where do animals go in the winter?

3. Draw a picture of the season you like best.

I enjoy _____
