### Note to Mum and Dad:

Dear Parents,

Please check our weekly schedule. If we have a Language Arts, Science, Math or Music class, your child should have homework. If your child is bringing unfinished homework home, please work with them. Also understand that we try to give enough time in class for students to finish our worksheets. If they are consistently unfinished, then there may be a problem focusing in class or understanding what to do.

If you have questions about your child and their work, please let us know.

Sincerely,

The Grade 2 Teachers
